

## STREET STYLE NAIL ART

In short: the model will have a pre-crafted structure of the hand, the shape will be free, provided it is EXTREME (Oval and Square nails are not allowed). During the competition the entrants will have to create an eccentric and sensational nail art, according to the proposed theme: FLOWER POWER

Jury evaluation criteria	Maximum score	Score achieved
The decorative elements do not exceed 30% of the surface of each nail. All nails are well balanced and there is continuity of the theme on all nails.	10	
Are the decorative elements original, different and harmoniously combined?	10	
Work definition (sharpness): was the nail art created in a clearly and visible way? Is the design recognisable and appropriate to the proposed theme?	10	
Difficulty level: Has the criterion of extreme and non-short shape been complied with? Was it created with competence and technical ability? (the minimum length is 5 cm - measured from the cuticle to the end of the free edge)	10	
Difficulty level: is the nail art simple or complex? Has it been carried out with proficiency and technical ability? Is the design continuous, original, eccentric, exciting on all nails?	15	
Use of colours: were well matched colours used? The variety of colours is wide, and the colours are fluent and well defined.	10	
Work finish and neatness: is the product completely polymerised? Are there any visible trace of glue, product or dust?	5	
Are there any 3D handmade decorative elements? Are they well defined and well structured on all nails? Are they original, eccentric and different?	20	
Were at least three different crafting techniques used? (e.g. airbrush, gel colour, acryl, acrylic colours, polish, pencil, etc)	10	
<b>THEME: Flower Power</b>		
Length of competition: 120 minutes to create work on one hand		
Total score:	100 points	

### PLEASE NOTE:

- The minimum length (measured from the cuticle to the end of the free edge) is 5 cm; if this parameter is not met, 50% of the total score achieved will be reduced
- Since this is a competition based on the artistic imagination of the entrant, any nail art decoration technique is allowed: airbrush, acrylic colours, watercolour, pencil, color gel, plastic gel
- The nail must be completely covered with a base color and must not have spaces without colour. The decorations and decorative elements will be balanced according to the rules
- Any decorative element is allowed: stones, rhinestones, glitter, studs, holograms, etc, provided they do not exceed 30% of the surface on each nail
- Embossed and 3D elements should not exceed 0.5 cm in height

- 3D elements must be created during the competition and not previously
- Stamping, moulds and modelling clay (plasticine) are not allowed to create 3D decoration elements
